

The Fruit Valley Foundation

2008

Dear Interested Volunteer:

Do you see the difficulties young people face as they enter middle school these days? Do you have a heart to help these kids navigate the difficult waters? If you do, we need your help!

This August the Fruit Valley Foundation and its sponsors are hosting a day camp designed to help students make a successful transition from elementary to middle school. Called S.T.E.P., which means Students Transitioning into Exceptional People, this is five full days of fun activities and adventures all geared around helping kids connect to their peers and answer some of the scary questions about what awaits them in 6th grade!

We are looking for committed adults who are willing to volunteer their time at S.T.E.P. Camp. This camp is free and open to all graduating 5th grade students who are planning on attending Discovery Middle School in the fall. This is an opportunity to be a guide, mentor and role model.

As I am sure you are aware, that sixth grade can be a scary time for students. S.T.E.P. camp provides safe and fun opportunities to answer questions like: Am I going to be bullied at school? Can I handle the extra work load? Will I be able to find my way around? Who can I go to if I have questions?

You are in a unique position to help answer some of these questions and make a significant difference in the lives of these kids. I sincerely hope you will consider joining us in this fun and exciting endeavor!

If you are interested, please submit the completed application to the address below. Feel free to contact us via phone or email if you need more information.

We look forward to hearing from you and hope you can help us this summer for S.T.E.P. Camp!
